

# Breakfast Pack

We are lucky to be surrounded by farmers and producers that make fantastic quality products. We source as much of this as possible for our very popular breakfast packs.

Everything is supplied ready for you to cook when you wish. It's a feast for 2, or if you prefer a lighter breakfast it's enough for two days.

We don't have everything in stock so please give us 48 hours' notice if you would like to order

## Original Breakfast Pack - £15
